Features

Our Flex Spend Plans give you the ability to **pull from your plan balance as you need to and any unused amount will roll over to the next month.**

Flexible terms - pay upfront to maximize your investment with a 10% bonus or choose to pay quarterly or monthly.

Carry over - based on payment term, plan balances will carry over to the next annual agreement.

Account status updates - receive automatic notifications on total balance remaining.

Flexible resource - plan balance can be used for any resource on our team.

Flexible use - plan balance can be used towards any IT work including projects, consulting, or unplanned events.

Plan ahead - budget and prioritize projects more effectively. Pull from your plan balance at anytime throughout the annual agreement term.

Add to your plan anytime - reload your balance at anytime, in increments of \$1500. You will always get a 10% bonus if you pay upfront when reloading.
